PUBLIC (PLANNING & DEVELOPMENT) DEPARTMENT.

Note for answering supplementaries to Legislative Assembly Question Starred No. 4042. 44 36

In the year 1952, the District Planning Boards were constituted in the districts other than those where the Community Projects programme was in operation for Planning and Development work and for following up progress in the execution of work. In the Community Projects districts, Project Advisory Committtees were constituted which exercised the functions of the District Planning Boards in regard to non-project areas also. In July 1954 the usefulness of these Project Advisory Committees was reviewed.

It was pointed out that these Project Advisory Committees were ~~two~~ unwieldy and did not serve as an effective medium of planning and development and as an organisation for following up progress in the execution of work. It was also pointed out that there was no point in having large committees and functioning through Executive Committees.

These Project Advisory Committees were therefore scrapped and in their stead compact Advisory Committees were constituted to attend to the work relating to the Community Projects and Community Development Blocks. It was ordered that District Planning Boards be constituted in these districts also for attending to the Planning and Development work for the district as a whole. Thus the position to-day is that there is a District Planning Board for each district including Community Project districts.

The present constitution of the District Planning Board is as follows :--

Chairman.

1. District Collector.

Members.

1. President, District Board.
2. Chairmen of all Municipal Councils.
3. District Agricultural Officer (s).

p.t.o.

4. District Veterinary Officer.

5. Deputy Registrars of Co-operative Societies.

6. Assistant Director of Industries.

7. Executive Engineers for Irrigation, Highways and Electricity.

8. Assistant Engineer (F.P.) in districts where he is functioning.

9. District Medical Officer.

10. District Educational Officer.

11. District Health Officer.

12. District Panchayat Officer.

13. All Revenue Divisional Officers.

14. All Local Members of Parliament, Council of States and State Legislatures.

15. Two representative Agriculturists.

16. District Forest Officer (s)

17. One or two non-officials familiar with the problems of small-scale industries.

Secretary.

1. One of the Personal Assistants to the Collector at Headquarters.

The functions of the District Planning Board are :

1. To prepare material for the formulation of the District Plan;

2. To supervise the allocation of specific programmes for execution to the various agencies in accordance with the district plan;

3. To provide technical assistance of the respective departments;

4. To provide other assistance in the matter of supplies, technical personnel and the like in respect of such matters in which Governmental assistance is needed on a co-ordinated basis; and

5. To assess periodically the progress in execution by the various agencies, of the different programmes in relation to the approved targets and to furnish to Government periodically progress reports.

p.t.o.

Travelling allowance to non-official members:

The non-official members at present are not paid travelling allowance for their journeys performed to attend the meetings of the Board. The question of allowing travelling allowance to the non-official members for attending the meetings as in the case of the members of the compact Project Advisory Committees is under consideration separately.

The meetings of the District Planning Board are held generally every quarter and also earlier whenever there are enough subjects for discussion.

The actual preparation of District Plans has been taken up in Six districts and has been completed in three of them (Coimbatore, Ramanathapuram and Chingelput). It is nearing completion in the three districts of Salem, Nilgiris and Malabar. The work in the remaining districts will be taken up and completed before March 1956.

Development Commissioner and Secretary to Government.

Mr. SPEAKER: Questions Nos.2718, 2719 and 2720 may be taken up together.

Q.Nos.2718, 2719 and 2720 answered.

SRI K. KUNHI MUHAMED SHAFEE: May I know the reason for the inordinate delay in constituting a Planning Board for the district of Malabar?

THE HON. SRI C. SUBRAMANIAM: I do not concede that there was any inordinate delay. It was constituted in time so that the necessary recommendations for the formulation of the Second Five Year Plan might be made.
